

Vacancy at N/a'an Ku Sê Wildlife Experience - SJP

An exciting and challenging opportunity is available for a **Maintenance/ General Farm Worker** to join our team. The successful incumbent will be based at the N/a'an Ku Se Wildlife Sanctuary, Farm Frauenstein No. 277, Khomas District, Windhoek, Namibia.

Overview

We are seeking a skilled Maintenance/General Farm Worker to join our agricultural team. This role involves performing a variety of tasks to support the daily operations and upkeep of the farm. The ideal candidate will have experience in maintenance, repair, and general farm work, demonstrating a strong work ethic, attention to detail, and a passion for agriculture.

Main responsibilities (but not limited to):

Facility Maintenance:

- Perform routine maintenance tasks such as repairing fences, gates, and buildings to ensure the safety and functionality of farm facilities.

Equipment Maintenance:

- Inspect, clean, and repair farm equipment, including tractors, irrigation systems, and hand tools, to maintain operational efficiency.

Land Management:

- Assist with land preparation, planting, and harvesting activities as needed, including tilling soil, sowing seeds, and harvesting crops.

Livestock Care:

- Provide basic care for farm animals, including feeding, watering, and cleaning animal pens or shelters.

Pest and Weed Control:

- Assist in implementing pest and weed control measures, such as applying pesticides, herbicides, or natural remedies to protect crops and ensure their health.

General Labor:

- Perform various manual labor tasks, including lifting, hauling, and moving materials around the farm.

Safety Compliance:

- Adhere to safety protocols and regulations to maintain a safe working environment for yourself and others.

Record Keeping:

- Maintain accurate records of maintenance activities, inventory levels, and farm operations as required.

Assist with Special Projects:

- Support special projects or initiatives as directed by farm management, such as construction projects, irrigation system upgrades, or equipment installations.

Team Collaboration:

- Work closely with other farm workers and supervisors to coordinate tasks, share knowledge, and achieve common goals.

Job requirements and skills:

- High school diploma or equivalent.

- Proven experience in maintenance, repair, or general farm work preferred.
- Knowledge of basic farming practices, equipment operation, and safety procedures.
- Ability to operate farm machinery and equipment safely and effectively.
- Strong physical stamina and ability to perform manual labour in various weather conditions.
- Excellent communication skills and ability to work effectively as part of a team.
- Basic understanding of agricultural principles and practices.
- Willingness to learn new skills and adapt to changing priorities.
- Valid driver's license and reliable transportation.

Remuneration:

- A competitive salary package coherent to experience and qualification
- Meals and accommodation are provided at the sites
- Membership of the Naankuse Medical Aid Group at own cost

Closing date for applications: 12 August 2024
